Welcome

Let's celebrate what is happening in New Brunswick!

Have you had a successful initiative from the last year that supports aging in NB that we should all celebrate? Are you working on something new that you would like everyone to know about? Are you looking for an opportunity to share and network with other like-minded individuals?

This showcase is for you!

The New Brunswick Association of Nursing Homes (NBAANH) and the Collaborative for Healthy Aging and Care are thrilled to host an event that will showcase good news stories and local innovation related to healthy aging and care in New Brunswick on May 12th at the Casino NB in Moncton, New Brunswick.

This free reception-style event will provide an opportunity for New Brunswickers to share their unique and innovative approaches to supporting healthy aging and care from around the province. Let's celebrate the positive impact of aging in New Brunswick!

About the New Brunswick Association of Nursing Homes Inc.

The NBAANH advocates on behalf of all the 68 licensed nursing homes in New Brunswick. We collaborate and support the leaders of our sector. NBAANH is a not-for-profit organization providing a range of membership services. The nursing home sector represents over 5,000 residents and 6,000 staff across the province.

About the Collaborative for Healthy Aging and Care

The Collaborative for Healthy Aging and Care is an informal coalition of organizations, community groups and citizens that have an interest in healthy aging and care. We promote collaborative, community-driven efforts that respond to the opportunities and challenges related to aging in New Brunswick.
